Restored Krauss

Who we are

Buderim-Palmwoods Heritage
Tramway Inc is a non-profit
organization founded in 2003.

Our mission

To establish and maintain the “Heritage Walking
Track” from Telco Road along the Council
easement and make safe for public access.

To design, construct and maintain associated
infrastructure to support the “Heritage
Walking Track”.

To work towards the recovery of the artefacts
and memorabilia associated with the Buderim
Palmwoods Heritage Tramway.

Having completed the cosmetic restoration of
the original Krauss locomotive used on the
tramway, to work towards its location and
permanent display in central Buderim.

To record, restore and preserve the botanical
history along the “Heritage Walking Track”.

Bringing history to life

Our organization is seeking financial
support, to fund a building that the
community can be proud of.

The building in central Buderim will house
one of Buderim’s treasures — the original
restored Krauss locomotive .

Artist's Impression

***The Krauss locomotive
(1915 - 1935) played an
important part in shaping
Buderim's history.***
